

---

In connection with the upcoming commercial commissioning of the LNG Terminal in winouj cie, from 21st April to 9 May 2016 Polskie LNG S.A. conducted market consultations of the updated draft of LNG Terminal Code.

Both Polish and foreign entities have contributed to the aforementioned consultations.

Consultations proces:

### **Consultations concerning draft of the LNG Terminal Code (LNGTC)**

In consideration of the fact that preparatory works for commercial commissioning of the LNG Terminal in winouj cie are nearing completion, **GAZ-SYSTEM (formerly Polskie LNG S.A.) hereby invites all parties concerned to participate in consultations of the Draft of the winouj cie LNG Terminal Code.** The proposed draft of the code is determined by legislation, as well as the strive to offer the uncontracted capacity of the LNG Terminal in winouj cie to all interested market players.

All comments and suggestions submitted during the consultations will undergo a thorough analysis prior to publishing the final revision of the Code.

All the parties concerned are invited to review the draft of the LNG Terminal Code, and requested to submit their comments and suggestions by **9 May 2016** at the following e-mail address: [instrukcja@polskieng.pl](mailto:instrukcja@polskieng.pl) using the templates provided below:
